

SPIRIT OF SUTTERBY

St John the Baptist's Feast Day Service

Sutterby Church 24th June 2016 1900 -2000hrs

Once again Father Peter Coates did us proud and held a Saints Day Service in the little church at Sutterby. Unfortunately, due to the horrible weather and holidays the congregation was a little smaller this year than in the past. Led by Father Peter the church rang out to the sound of voices yet again, the lessons were read by Julia and Paul, and Julia gave a reading about the plant St John's Wort.

This year the churchyard looks like the set for “The Day of the Triffids” as the thistles are liking the weather and the lack of nettles and are over 6ft high. Father Peter said the reason is because he blessed the churchyard on Rogation Day!
