2017 - A Year Amongst The Churches Of Lincolnshire - A Personal View- Professor David Stocker

Friday 9th February 2018. Franklin Hall, Spilsby 7.30pm - £4.00 to include refreshments

The evening began with Dave Start updating us on upcoming events. He then introduced tonight's speaker Professor David Stocker.

David's talk took the form of a "friendly fireside chat" about his year working amongst some of the churches of Lincolnshire, giving a short description of each as he went. This format went down very well, and we were able to ask David questions and add our points as the talk was in progress making for a relaxed and fascinating evening.

Besides cutting this evenings cake David was asked to sign an apron which will record all the speakers.

Refreshments were provided by The Firsby Artisan Bakery as is usual.

The evening was very well attended.
