

SPIRIT OF SUTTERBY

Parish Boundaries Cake

The “Iced Delights” from the Artisan Bakery of Firsby were this time to accompany an excellent and informative talk given by Dr Matthew Godfrey on “Parish Boundaries and how to understand the English Countryside” that took place at 1930hrs on Thursday 28th April 2016 At Franklin Hall, Spilsby.

This time the cakes came in two types, victoria sponge with jam and coffee sponge with butter cream.

They were again eagerly devoured at half time tea break.

There is talk on “Twitter” about how there should be a Sutterby Bake Off between Denise and Phil, but that will be decided by better men than me!!!
