Monday, October 21st

Owl Pellet Workshop

With Garry Steele.

A taught workshop investigating the pellets from the Sutterby barn owls. Following on from a previous successful workshop, we gather to dissect and record pellets collected on a monthly basis over the past 18 months. This is important research not only in gaining insight into the diet of our owls, but also to give a record of the local small mammal population.

New Strigiphiles welcome.

Stickford Community Centre

9.30am - 12.30pm

Booking required. Few places remaining.

Wednesday, October 30th

James Fowler: Friend or Foe of the Mediaeval Church

Courtroom Drama with Dr Matthew Godfrey

Fowler - saviour or destroyer of local mediaeval churches?

A chance to listen to both sides of the heritage argument and to sit in judgement.
