

COMING SOON: NAVIGANT CREDIT UNION

November 2015 – Bowerman Associates is pleased to announce it has begun construction on a new Navigant Credit Union branch located at 935 Victory Highway in North Smithfield, Rhode Island. The project consists of a new ground up 2,800 sf bank branch with 3 drive-up lanes.

Bowerman Associates has completed numerous bank branches for Navigant Credit Union including Greenville, Warren, Smithfield, Chepachet and Corporate office work in North Smithfield.

Bowerman Associates, Inc. operates with a simple philosophy: quality workmanship, high standards and a firm commitment to all of our customers' projects. As design builder and a construction manager, we understand that fundamental to the success of any project is the concept of teamwork. Our methodology incorporates all members of the project team; we work closely with architects, engineers, owners and local building officials to create a product that all parties can be proud of for years to come.
