

LAKESIDE SCHOOL - EDUCATION FEEDBACK FORM

Please complete and forward to Training Liaison Governor as soon as possible following completion of course

Course title: Governors' Summer Conference	Date: June 2018
Attended by: Di Chamberlain	
MAIN FOCUS a) The Hampshire Perspective – Brian Pope b) The Why Factor – Jonathan Peach c) Making an Effective Contribution to Governance – Governor Services	
POINTS TO FEEDBACK TO GB (a) Focussed on curriculum – whole range of experiences at school. Tests v wider development. National curriculum small part of schools curriculum – use of local facilities. Hidden curriculum – messages we give children as adults. EPS website has support package for staff re dealing with emotional health. Expectations = results (“my teacher thought I was smarter than I was – so I was”, quote from 6 yrs old) (b) Practice makes permanent! <ul style="list-style-type: none"> • Choose to be positive • Understand your impact • Take Personal responsibility • Have bounce backability • Set huge goals • Play to your strengths Understanding the why helps plan the future. Why do you do what you do? (c) Considering the impact of own working style on the governance board and how to accommodate the working styles of others	
ACTIONS GOING FORWARD Nothing particularly leapt out – we appear to be on the same wave length.	

WHAT WAS USEFUL All of it (although didn't stay for (c) as WGBT session devoted to this and same materials being used	WHAT WAS NOT USEFUL
---	----------------------------

Would you recommend this course for other governors to attend: **Yes**
