Key points

- We have once again been able to hold our subscription prices at the same rates as for last year.
- If you wish to continue with the same subscription as last year you need take no further action, we will carry forward your subscription to 2019/20.
- You must notify us no later than 22 March 2019 if you wish to cancel your subscription.
- You should have this as an agenda item for governing body consideration.

Dear Colleague,

I am pleased to advise you that our advice, support and training subscription price for 2019/20 has been frozen at last year's level. This means your board will continue to be able to access all of our services for approximately £100 per governor.

For information, the subscription charges are based on number on roll and are listed as follows:

NOR up to 105	£1225
NOR 106 to 210	£1425
NOR 211+	£1525
Secondary schools	£1730

(Special secondary schools will be based on NOR)

Our records show that based on the take up of training alone for last year, subscribers saved on average over £800 on the price they would have paid if they had accessed the same amount of training on a pay as you go basis. When you take into account that for this price you also get access to our Website, over 20 e-learning packages, fortnightly updates, termly newsletters, 2 issues of the Hampshire Governor Magazine, as well as support from our staff by e-mail and over the telephone, this all represents real value for money.

Full details of our service are set out in our rolling [Service Level Agreement \(SLA\)](#).

The electronic Training Programme for 2019/20 will be sent to all governors shortly so that they can see what training is available in the coming year. We will continue to issue an electronic termly programme which will include any additional courses we have added since the annual programme was produced.

As we have now a rolling SLA your subscription will carry on until you notify us to end it. We will remind you of this arrangement each spring term and we will also tell you if we have made any changes to our charges at the same time. These arrangements save work on both sides as you only need contact us if you wish to stop your subscription and we do not have to chase up outstanding returns.

If you do wish to stop using our services we would ask that you notify us by e-mail to the address below by no later than Friday 22 March 2019. However, we hope you will continue with us as it the 96% take up rate that allows us to provide such a comprehensive advice, support and training package delivered at a local level by staff members who know your boards.

If you have queries about our service provision or the subscription process please do contact us and we look forward to working with you again in the coming year.

Kind regards,
