

19<sup>th</sup> Nov 18

### ***Senior Manager Report***

#### ***H&S***

Problems in the boarding house were resolved by an additional pump in the boiler system having to be installed. Termly H&S audit completed by the beginning of Nov. Dan Healy attended the termly H&S briefing at the end of Sept. Boarding house sprinkler system has now been repaired and appears to be working fine. We are due an Asbestos visit from Hampshire, to check register and that all paperwork is in order.

The school management partnership meeting is due in Jan 19.

Ongoing programme of works remains in place for this half term.

School complaints policy has been reviewed.

#### ***Training***

Inset day 8<sup>th</sup> Oct involved Team- Teach training, training sessions with the Occupational and speech and language therapist. There was also some time for general e: learning etc. Inset day 5<sup>th</sup> Nov involved exam access arrangement for teachers and LSA's, I TALK (wellbeing at work) for all staff. Teacher's performance management and IPP for support staff. Time for policy/ document reading/ signing to include school Radicalisation/ extremism document, Prevent duty, fire evacuation, safeguarding, child protection, H&S, e: learning- fire awareness, manual handling and display screen equipment.

#### ***Safeguarding***

Safeguarding issues had a good going over during the residential Ofsted inspection. Safe guarding governor met with inspector.
