Value for money

Our EduCare for Education® package offers you the best quality service at the best value for money. Prices start at just £335 per year, based on the number of pupils or students, and offers 12 months unlimited access to all courses.

Training always up to date

Our content experts work tirelessly to ensure your courses are kept up-to-date and support current Department for Education guidance.

We constantly monitor changes to statutory guidance, legislation and inspection requirements. As soon as changes are confirmed, we update our course content at the earliest opportunity.

EduCare courses support both Keeping Children Safe in Education and Working Together to Safeguard Children.

Expertly written

Our engaging, high quality courses are written with or endorsed by leading subject experts, including Kidscape, YoungMinds, the Boarding Schools' Association, Police Crime Prevention Initiatives, Institute of Fire Safety Managers, RoSPA, ACE Education Training LLP, West Midlands Ambulance NHS Trust, Bullying UK, the Independent Association of Prep Schools and ex-Police covert internet investigator Jonathan Taylor, who specialises in online offender behaviour.

These experts play an important role in helping to ensure our courses are always accurate, high quality and continually meet the needs of the relevant sector.

This collaboration ensures that you are receiving the very best service the sector has to offer. It's our promise to you that you're using the very best courses to fulfil your safeguarding and duty of care training.

West Midlands Ambulance Service NHS Foundation Trust

Your complete solution

All courses included in EduCare for Education® provide a complete solution to your safeguarding and duty of care needs.

Courses contain only the essential information which is delivered across clear and concise modules.

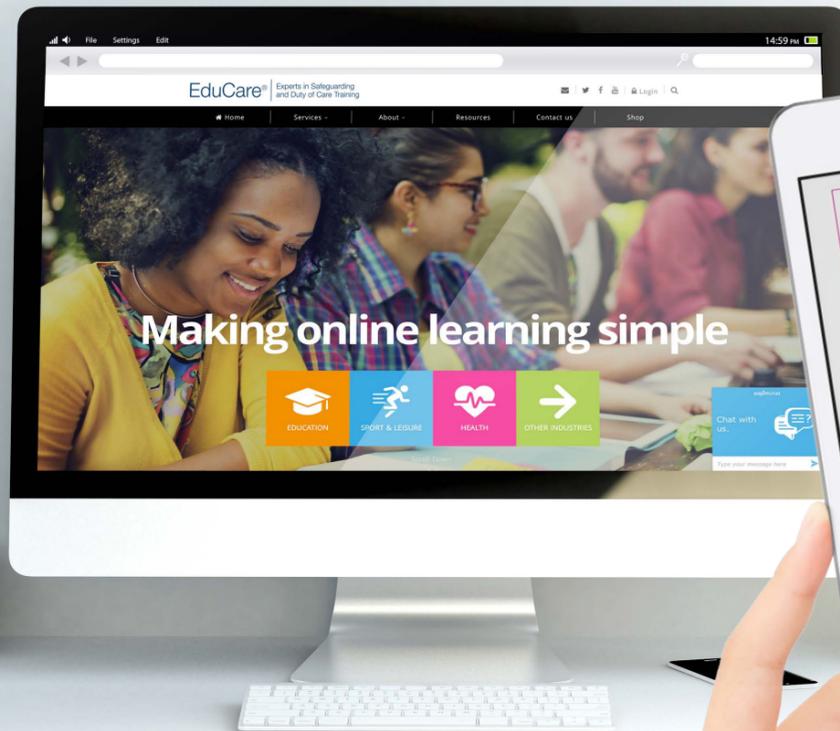

Powerful imagery, compelling video and audio narration combine together to create the ultimate learning experience. Modules conclude with multiple-choice questionnaires and a personalised, downloadable certificate. Each successfully completed module provides one hour of CPD.

Right for you

We have developed different versions of EduCare for Education® with content, imagery and resources to suit the following settings.

- General education - to suit all stages of education
- Secondary - for those working with students aged 11 - 18
- Further and Higher Education - for colleges and universities
- International Schools - for schools and settings overseas

We also have considerable presence in the private education sector, working closely with IAPS, AGBIS, ISBA and BSA. Our services are used by a diverse range of settings including Academy Trusts, International Schools, SEN schools and includes Eton College.

What schools say about EduCare for Education...

"I have recommended EduCare for Education to other schools in my area. The courses are very authoritative – they contain some brilliant modules which really help in the day-to-day running of the school."

Duggie Speight - Headteacher, Carleton Endowed School

"EduCare for Education meets the requirements of Ofsted in showing evidence of training and knowledge. I would definitely recommend it to other schools."

Sue Stuart - Doncaster School for the Deaf

"We chose Educare for Education as it gives an annual licence which is unlimited for our staff and governors and we can do all of our statutory training. It keeps everyone's training current and fresh and it's at the forefront of their minds."

Julia White - Partnership School Business Manager, Cirencester Primary and Down Ampney C of E Schools

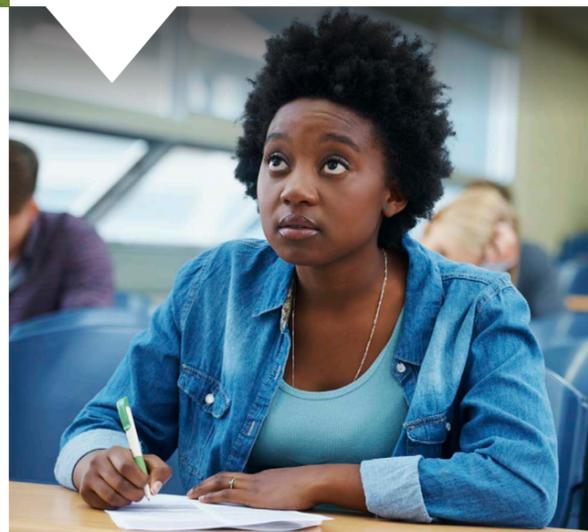

"EduCare for Education has far exceeded our expectations. Now everyone in my school can take ownership of our essential policies for the welfare, care and protection of our pupils. During our recent inspection we were commended on our pastoral care and welfare of our pupils."

Johanna Staunton, Headteacher, Laleham Lea School

"EduCare for Education ensures that all the relevant people at the school are trained on time and as they should be. Delivering training to everyone has become increasingly challenging and the EduCare courses enable statutory training to happen whilst facilitating opportunities for CPD. This allows pastoral staff to deepen their knowledge in areas which are becoming more significant for young people and schools. The record keeping tool is extremely helpful in terms of keeping tabs on who has trained, who needs training and how far they have progressed. This will also be particularly useful during inspection."

Phil Wise, Deputy Head - Pastoral, Reading Blue Coat School

"All of our staff feel the child protection and safeguarding courses are an effective way of reinforcing their obligations to our pupils. We've made EduCare training a mandatory element of staff inductions."

Philip Moere, Principal, Abbey College

"This is excellent training. As a headmaster, I am involved in child protection cases in the school. Whilst I was confident of the frameworks etc, this training was very reassuring. Well done."

Alexander Mitchell, Headmaster, Holmwood House School

"We are thoroughly satisfied with the EduCare online training courses. EduCare also allows us to tailor make our staff induction courses and its user friendly layout enables us to do so with a minimum amount of fuss."

Hakim Taylor, Head of Boarding, Durand Academy

"The training has helped me to re-focus on some key issues such as FGM and Forced Marriage which I discuss with my students - but the figures quoted are of particular relevance and will encourage me to re-visit these areas of safeguarding."

Jacky King, Babcock Education

Simple, concise and easy to use

EduCare is the leading provider of essential duty of care and safeguarding training.

With over 1,200 course completers every day, we are the market leader in developing and delivering highly engaging online learning courses in partnership with leading experts.
