

Senior Manager Report

Training programme is being put together for the new school year.

A number of policies and various risk assessments are being looked at as they are due updating/ renewal over the next few weeks.

The site manager is putting together a programme of works for the summer holiday, to include a deep cleaning of the whole school. There will be a number of contractors on site over the holiday completing various work.

The school is in discussion with Hampshire about the refurbishment of the main pupil bathrooms in the main boarding house. We are awaiting a decision as to what is going ahead.

Annual fire paper work is being updated ready for the new school year.

An accident report for one of our pupils was completed and sent to Hampshire as per county procedure.

A day pupil Brean Sands trip will go out on the 9th- 13thJULY.
