    __ Excellent  __ Satisfactory  __ Unsatisfactory  __ N/A

11. Understanding of healthy lifestyle modification including diet, exercise, and meditation
    __ Excellent  __ Satisfactory  __ Unsatisfactory  __ N/A

12. Understanding of treatment including what medication, dosing, and side effects of cholesterol medications
    __ Excellent  __ Satisfactory  __ Unsatisfactory  __ N/A
Presenter Rating:
Beth White, FNP
13. Knowledge of the subject.
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A

11:00-12:00 p.m.
Managing Congestive Heart Failure – Medication and Device Therapy
To what extent did the presenter meet the following objective(s)?
15. Definition of Congestive Heart Failure
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A
16. Pathophysiology of the disease state
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A
17. Types/Stages of congestive heart failure (HF-rEF & HF-pEF)
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A
18. Signs and symptoms/clinical manifestations
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A
19. Cause of CHF
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A
20. Management of CHF including medication and device treatment
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A

Presenter Rating:
Jaime Dixon, FNP
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A

12:00-1:00 LUNCH

1:00-2:00 p.m.
Obesity: It’s medical and Endoscopic Treatment options
To what extent did the presenter meet the following objective(s)?
23. Understand the disease of morbid obesity and it’s classifications
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A
24. To better understand the workup and evaluation process for medical treatment
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A
25. To better understand the workup and evaluation process for surgical treatment
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A

Presenter Rating:
Dr. Blaine Nease, MD
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A
27. Method of delivery/teaching strategies.
   __ Excellent   __ Satisfactory   __ Unsatisfactory   __ N/A
2:15-3:15 p.m.
**Obesity: The Surgical Treatment Options**
To what extent did the presenter meet the following objective(s)?

28. Understand the disease of morbid obesity and it’s classifications
   __ Excellent __ Satisfactory __ Unsatisfactory __ N/A

29. To better understand the workup and evaluation process for medical treatment
   __ Excellent __ Satisfactory __ Unsatisfactory __ N/A

30. To better understand the workup and evaluation process for surgical treatment
   __ Excellent __ Satisfactory __ Unsatisfactory __ N/A

**Presenter Rating:**
**Dr. Blaine Nease, MD**

31. Knowledge of the subject
   __ Excellent __ Satisfactory __ Unsatisfactory __ N/A

32. Method of delivery/teaching strategies.
   __ Excellent __ Satisfactory __ Unsatisfactory __ N/A

3:30-4:30 p.m.
**Teledermatology and Derm issues**
To what extent did the presenter meet the following objective(s)?

33. Review the pathophysiology of unusual skin disorders
   __ Excellent __ Satisfactory __ Unsatisfactory __ N/A

34. Explore the diagnosing of unusual skin disorders
   __ Excellent __ Satisfactory __ Unsatisfactory __ N/A

35. Discuss the treatment of unusual skin disorders
   __ Excellent __ Satisfactory __ Unsatisfactory __ N/A

**Presenter Rating:**
**Nikki Reed, FNP**

36. Knowledge of the subject
   __ Excellent __ Satisfactory __ Unsatisfactory __ N/A

37. Method of delivery/teaching strategies.
   __ Excellent __ Satisfactory __ Unsatisfactory __ N/A
