

December 2014,

To Our Community Businesses:

The Mt. Boucherie Skating Club is a non-profit organization. It is a community sport group governed by Skate Canada and run by volunteers. We have been serving the community for over 45 years. Our mission is to provide high quality skating programs to individuals of all ages. We currently have over 300 members ranging from 2 to 18 years of age. Our programs allow for development of skating skills for **Can Skate, Power Skate, Figure Skating and Competitive Skating**. They also develop good sportsmanship, competitive spirit, life skills and a healthy mind and body.

In order to keep our ice-time cost affordable to families while encouraging people to learn to skate, we must raise funds to help. With your support, funds raised will keep our program available to all those who love to skate!
