**CoIRGuard 1050® LIMITED WARRANTY**

Gulf Coast Supply & Manufacturing, LLC (GULF COAST) is pleased to offer this forty (40) year limited warranty to the herein identified customer (CUSTOMER) concerning sales of paint coated roofing and siding panels (PRODUCT) sold in the continental United States and Canada.

**SECTION A: HOW WILL THE COVERED PRODUCT WEATHER?**

Although it is recognized by GULF COAST and CUSTOMER that most paint coatings, including the paint coatings applied to PRODUCT, will fade and change appearance to some degree over a period of time in outdoor installations, and that such changes may not be uniform between surfaces not equally exposed, GULF COAST warrants that the paint coating on PRODUCT will conform to the performance standards listed below under normal atmospheric conditions.

1. For forty (40) years from the date of installation, paint coating on PRODUCT will not peel, flake or otherwise lose adhesion to an extent that is apparent on ordinary outdoor visual observation. Note: Slight crazing or cracking may occur on roll formed edges or break bends at the time of forming and is considered as standard – such crazing or cracking shall not constitute a basis for complaint under this limited warranty;
2. For thirty (30) years, sidewall panels of PRODUCT will not change color more than five (5) delta E Hunter units and roof panels will not change more than seven (7) delta E Hunter units when measured per ASTM D 2244 on clean surfaces after removing dirt, other surface deposits and chalk per ASTM D 3964; and
3. For thirty (30) years, sidewall panels of PRODUCT will not chalk more than a number eight (8) rating and roof panels more than a number six (6) rating when measured per ASTM D 4214, Method A
