

Hope this finds everyone doing well and enjoying the beautiful weather!!

The AE Council has been working on the “So you want to be a real estate agent” booklet and could use your help. I have attached a copy and would love all of your input, ideas and corrections. The only piece that will need updated will be the WREC instructions for their new software. As soon as the new system is running (July 1), I will get with BJ to put new links and instructions together.

I also spoke with BJ about holding a 1-hour training with the AE’s during our scheduled meeting at convention. She will get a little more in-depth with our duties in entering education and helping members. As a side thought, we talked a bit about also having a few 15-20 minute trainings for the members to learn the system and get ready for renewal if Steve could fit them in somewhere.

Looking forward to seeing you all next Tuesday!!

Kristy Barret, AE council chair.
