

Local President Council Report 2/13/2018

Currently the only reported problem/shortage is from the Freemont Board:
Lack of VA Appraisers, Reported by Tiffany Dornblaser

The Cheyenne Board would like to assist with a fundraiser to promote and enhance the Bob Galley Scholarship

Waiting for the RPAC Flyer and payment options for the major investor program.

I may have more to report next week at the BOD meeting but this is it for now.
