Casper Board of Realtors:

Casper Board has completed their update on their new website which is a newer fresher look that has mobile capabilities.

Casper Board did a Golf Tournament in August for a day of fun for the Realtors and raised \$1500 for RPAC.

Douglas Board of Realtors:

Douglas is having problems with agents showing up to meetings. They need 6 people from different offices and typically only 3-4 ever show up.

I discussed with them about using Zoom Meetings and see if that could help get a quorum for their meetings. The president said she would try that.

They have not done any events for RPAC Realtors since they have not been able to vote on anything.

Rawlins/Saratoga Board of Realtors:

They did a Bouncy House for the public during their 4th of July celebrations. They incorporated their 1st RPAC raffle and made \$1,600.

Some offices have participated in school supply drive and they intend on doing Realtor Ring Day in December.
