

AE Council Report

Wyoming REALTORS ~ State Conference
Laramie, Wyoming
September 13, 2019

In May, we welcomed a new AE, Deb Norskog, to the Sheridan Board of REALTORS. Steve, Kylie, Brooke and I have all provided training to her and continue to provide assistance when needed. I have no doubt she will become a top-notch AE in no time!

In June, Lisa Tabke, Steve and I started working on revising the AE Council Policies to combine the two current documents into one and also consistent with the Wyoming REALTORS polices.

We also started discussing the possibility of bringing GRI back to Wyoming. Lisa and I contacted many of the states in our Region for assistance and have gathered quite a bit of information. It seems the qualifications are different for each state, so developing a future plan for Wyoming could be fun. Steve suggested that the BOD would want us to perform a survey to the membership to ascertain interest in not only GRI, but designations in general. I will hopefully have a report to you by our meeting.

Lisa Tabke from the Cheyenne Board of REALTORS will be stepping is as the AE Council Chair for 2020. She is an amazing AE and will bring a great new perspective to the position.

Thank you all for allowing me to serve as the AE Council Chair for the past two years! I have truly enjoyed getting to know all of you!
