Good afternoon.

As you know there has been a lot of media and reactions to the recent outbreak of the COVID-19 (Coronavirus)

As a result of this outbreak there have in particular been a large amount of sporting events, locally, nationally and internationally that have been affected.

You can be assured that at this time, and for the foreseeable future there is no change here at Winton Raceway with our Test and Tunes.

We are a large outdoor area that has extra handwashing/cleansing facilities available if you feel the necessity.

As it stands there is no change at Winton, we are not affected by the Governments recommendation for these type of events.

You can be assured that we have, and will continue to have the facility being managed business as usual.

There is a Test and Tune this Friday the 20th, immediately followed by a Test Tune and Timing the following day on Saturday the 21st of March

You are encouraged to come along and continue to enjoy what we have on offer.

We look forward to seeing you here to get the most out of what you run.

Be sure to book online at <https://wintonraceway.com.au>

Thankyou

Kind Regards,

Brenton O'Brien
