We are excited to announce that we are including 6th graders into our Middle School Ministry this fall with the 7th & 8th graders. In preparation for this strategic move, we are offering a transitional group that will meet on Sunday nights for all current 5th and 6th graders beginning Sunday night, June 25th. The program is specifically designed to encourage the development of closer friendships and a deeper discovery of faith, while getting to know the adult leaders. Route 567 will meet Sunday nights from 6:00 to 7:00 pm, upstairs in the Game Room with a social time afterwards, including all Takeover students from 7:00 to 8:00 pm.
