- 1.6 Parties to the agreement recognize that the purpose of Keyano College is to provide instructional programs of high quality and effectiveness, and both agree to work together towards this goal.
- 1.7 In the event that any law passed by the Government of Alberta or Canada renders null and void, or reduces any provision of this collective agreement, the remaining provisions shall remain in effect for the term of the collective agreement and the Parties hereto shall negotiate, in accordance with the bargaining procedures herein provided, a satisfactory provision to be substituted for the provision rendered null and void, or reduced.

ARTICLE 2 - PERSONS COVERED BY THIS AGREEMENT

- 1) The KCFA member voluntarily agrees to sign the contract;
 - 2) The contract shall be done in consultation with the KCFA.
- 3.2 The Association recognizes and agrees that the Employer reserves and retains, solely and exclusively, all rights to manage the College except where these rights are specifically modified or restricted by the terms of this Agreement, provided that:
- (a) the College shall act reasonably in the administration of the Agreement, and
 - (b) faculty members shall not be discriminated against by reason of their participation in the lawful activities of the Association.
- 3.3 Twenty (20) working days prior to implementation of any proposed change to the Policy which specifically mentions or affects academic staff, the KCFA shall be consulted.

ARTICLE 6 - RESIGNATIONS, NON-CULPABLE TERMINATION, REDUNDANCY, AND RECALL

Resignation

- 6.1 All employees are required to provide the employer with eight (8) working weeks written notice of resignation. For each full calendar week that the written notice falls short of eight (8) working weeks, the employee may be required to forfeit one day's pay. This requirement may be waived by mutual agreement between the employee and the President. Vacation time shall not be used in calculating the notice period. However, should an employee provide written notice of resignation prior to May 15th with an effective date of June 30th or later, the penalty shall not apply.
- 6.1.1 The resignation of an employee who provides eight (8) weeks of notice in compliance with 6.1 shall not be effective until after five (5) working days of its submission in writing. Within these five (5) days the employee shall have the option to withdraw his/her resignation.
- 6.1.2 The resignation of an employee who fails to provide eight (8) weeks of notice and who therefore is in violation of 6.1 shall not be effective until one (1) full working day after its written submission. During that work day the employee shall have the option to withdraw his/her resignation in writing / e-mail.

Absent Without Leave

- 6.1.3 An Employee who absents himself/herself from his/her employment without prior authorization and who has not informed the immediate supervisor of the reason for absence shall after three (3) consecutive days of such unauthorized absence be considered to have abandoned his/her position and shall be deemed to have resigned irrevocably, unless it is subsequently shown by the Employee that special circumstances prevented him/her from reporting to or communicating with his/her place of work.

Non-Culpable Termination

- 6.2 The employer is to provide the employee with eight (8) working weeks written notice of termination or full pay in lieu of notice, except for dismissal for just cause.

- (a) One (1) month severance pay for each year worked, rounded to the nearest half year, to a maximum payment of twelve (12) months pay, calculated on the rates of pay set out in Article 9, or
 - (b) A payment equal to the Faculty member's relocation loan plus three (3) months salary.

Recall

- 6.4 Within two (2) years, a Faculty member terminated by the College pursuant to Clause 6.3 shall have first option for any Faculty position for which they are qualified. In the circumstance of recall, article 5.4.1 (probation) will apply. In consultation with Human Resources and the Association, the Dean or Director may shorten or waive the probationary period. The onus is on the employee to keep the College informed of his/her forwarding address. Where two or more candidates are considered for recall, the member with the superior combination of education, ability and experience shall be recalled.
- 6.5 If a permanent Faculty member is terminated by the College because of position abolishment and/or reasons other than just cause, the College's obligation to pay severance under 6.3 shall be waived if the faculty member accepts another instructional position prior to his/her last day of employment in the terminated position. Such acceptance of another instructional position may, upon mutual agreement, entail compensation for costs incurred by the faculty member as a consequence of the notice of termination.

ARTICLE 7 - REASSIGNMENT FROM POSITION OF INITIAL APPOINTMENT

- 7.1 No employee shall be reassigned from the position of initial appointment unless as a consequence of fiscal restraint, curriculum change, insufficient enrolment, or course or program changes.
- 7.2 If an employee is left without an instructional assignment for a period of two (2) weeks or less, such time shall be utilized for course preparation, professional development, and other related instructional/professional duties as approved by the Dean/Director.
- 7.3 Should reassignment become necessary, every effort and consideration shall be made to reassignment of duties within the employee's qualifications and capabilities. Such reassignment shall not incur a salary penalty.
- 7.4 In the case of reassignment from the position of initial appointment, the Vice President initiating the reassignment shall provide notice to the employee in writing not less than ten (10) working days prior to the effective date.
- 7.5 An employee whose normally-assigned location is changed to a location that increases his/her one-way travel by 25 km or more shall be eligible for compensation as follows until the end of the academic year or until the work location is again changed, whichever occurs first.
- (a) Subsistence as defined in the College travel policy,
 - (b) Travel time allowance of twenty-four dollars (\$24.00) per hour when required to travel a distance greater than 25 km one-way from the former normal place of work during times not included in the normal work day.

ARTICLE 8 - DISCIPLINE

- 8.1 Disciplinary action shall only be taken for just cause.
- 8.2 A notice in writing setting out the specific grounds for any disciplinary suspension, demotion or dismissal shall be delivered to the employee and the Association. The Employee's notice shall be delivered by hand or to his/her last known address.
- 8.3 If an employee is suspended without pay for a period not to exceed one month, the employee shall serve the suspension on the day(s) specified. If the suspension is subsequently rescinded or shortened, the previously-deducted salary shall be repaid accordingly.
- 8.4 An employee's written reply to a disciplinary action shall be recorded as part of the employee's record, at the employee's request.
- 8.5 All written notices of Disciplinary action shall be clearly identified as such in the text of the notice.
- 8.6 Reprimands may be recorded by means of a letter to the employee. The letter shall be written within ten (10) working days of the date the College becomes fully aware of the facts giving rise to the reprimand. When such a letter is placed on an Employee's file, a copy of the letter shall be sent to the Association.
- 8.7 Unless an employee is involved in ongoing disciplinary proceedings, any record of a reprimand shall be removed from an employee's file at the employee's request upon the expiration of two years from the date of that reprimand.
- 8.8 Notwithstanding Clause 8.7 hereof, where an employee is disciplined and receives written notice that any further disciplinary action taken against the employee for similar incidents shall mean suspension of, or termination from employment, all disciplinary records pertaining to incidents of a similar nature on the employee's file at that date shall remain on file for a period of five (5) years from the date of the written notice and shall thereafter be removed at the employee's request.

Market Modifier

9.1.3 Where it is deemed by the College that as a result of market conditions, recruitment and retention to a Program is difficult, it is recognized there may be a need to pay salary above the rates in the instructor grid; the College, in consultation with KCFA, may consider a market adjustment supported by appropriate market research. The College may then implement a market adjustment for a specific time period to be reviewed annually. Human Resources shall monitor the market adjustment and provide information to the KCFA as to how often the market modifier is used and under what conditions.

If the modifier is to be reduced or removed, the College shall give the Association and the Program's Employees three (3) months' notice.

Northern Residents Travel Benefit

- 9.1.4 In addition to the above salaries, employees at all grid steps shall receive \$2,500.00 per annum Northern Residents Travel Benefit.

Pedagogical Allowance

- 9.2 Faculty who have completed a Certificate in Adult Education, acceptable to the Instructor Qualification Evaluation Committee, shall be entitled to a pedagogical allowance of one thousand two hundred dollars (\$1,200) annually. This allowance shall not apply if the Adult Education program is a component or a duplication of a credential used to determine the instructor's basic salary range.
- 9.3 An Instructor Qualification Evaluation Committee shall be established as defined in Board Policy 3.2.
- 9.4 Should a new employee be hired at a salary greater than the salary of a current employee within the same department who appears to have equal qualifications and experience, the current employee shall upon request have his/her salary placement reviewed by the Instructor Qualification Evaluation Committee.

Employees who request such a review shall have written notice of the Committee's decision within three (3) months of the receipt of the request for review, or within three (3) months of the receipt of complete documentation in the event that the Committee requests additional documentation from the employee. Any adjustments in salary arising from such a review shall be retroactive to the date of the employee's request for a review.

- 9.5 Annual increments are granted upon completion of a year's satisfactory performance. Annual increments may be withheld by the appropriate Vice-President where there is sufficient evidence to confirm that performance has not been satisfactory. For employees of a full twelve month term, a "year's performance" is completed after twelve consecutive months, including annual leave or after the accumulation of ten (10) months of work, in the event that the normal twelve (12) month term is interrupted by periods of leave. For employees appointed for a term of less than twelve months, a "year's performance" is completed after accumulating ten (10) months of work. The determination of the aforementioned periods of twelve months and ten months shall not include any periods of paid leave for long term professional development or any leave without pay. Granting of an increment during the employee's probationary period is "without prejudice" when considering permanency under Clause 5.4.3.
- 9.6 The Board shall pay for membership in statutory professional associations where membership in the association is a legislative or regulatory requirement for an eligible faculty member lawfully to instruct in the profession or practice.

In the alternative, where the Board, on or after June 30, 1995, stipulates that membership in a statutory professional association is a condition of instruction and employment for an eligible faculty member, the Board shall pay the membership fee.

In the preceding two provisions, "eligible faculty member" means a faculty member who is employed full-time in a permanent, term or replacement position, for a minimum of eight (8) consecutive months.

Other than in the foregoing situations, where an employee holds a professional designation as a condition of employment, the employee shall maintain such designation in good standing.

- 9.7 Throughout this agreement, one day's pay shall be $\frac{\text{total annual salary}}{261}$ except as provided in Clause 11.2.8.
- 9.8 For each full day, a substitute instructor shall be paid 1/215 of the minimum annual salary on the applicable salary grid. For each half day, a substitute instructor shall be paid 1/430 of the minimum annual salary on the applicable salary grid.

ARTICLE 10 - WORKLOAD

10.1 General

10.1.1 The Dean/Director or designee, in consultation with the instructor(s) involved, shall assign the instructional load. If possible, each instructor shall be notified of his/her load at least thirty (30) days prior to the start of the assignment.

(a) Subsistence as defined in the College travel policy.

(b) Travel-time allowance of twenty-four dollars (\$24.00) per hour when required to travel a distance greater than 25 km. one-way from the normal place of work (Clearwater or Suncor Energy Industrial Campus), during times not included in the normal work day.

10.1.5 (a) If a disagreement arises over the assignment of workload, a Notice of Appeal may be filed in writing with the Vice President, Academic. Such Notice of Appeal must be filed within 10 working days of the time at which the complainant is made aware of his/her workload assignment, and at least ten working days prior to the beginning of the instructional term with which the Appeal is concerned. The Vice President, Academic shall strike an ad hoc Workload Appeals Committee whose mandate shall be to review the areas of concern and make a ruling. The decision of the Workload Appeals Committee shall be final and binding on all parties, and shall be delivered prior to the beginning of the instructional term with which the Appeal is concerned. The membership of the Workload Appeals Committee shall consist of the following:

- (i) The Vice President, Academic or his/her designee.

- (ii) A member named by the Faculty Association.
- (iii) A member named by and mutually acceptable to the Faculty Association and the Vice-President, Academic.

The decision of this Committee shall be final and binding on all parties, and shall be delivered no later than 5 (five) working days after the beginning of the instructional term with which the Appeal is concerned.

- 10.1.6 In addition to scheduled instructional hours, an instructor shall be available for consultation with students. Scheduled hours of student consultation shall not exceed 5 (five) per week for instructors in full-time positions. For instructors in part-time positions, scheduled periods of student consultation shall be prorated according to the fraction of full-time instructional load that the instructor is assigned. The times and locations for such consultation shall be determined by the Dean/Director, in consultation with the instructor.
- 10.1.7 The work year shall refer to the 200 working days within the applicable Academic Year, during which each faculty member has a workload responsibility to the College. The Academic Year and the work year shall be designated by the Dean/Director. The work year does not include Paid Holidays or Annual Vacation. Although an Employee's participation in the Instructional Skills Workshop is counted as time worked for salary purposes, days so spent shall not be counted as work days for the purpose of completing the academic year.
- 10.1.8 Should the College approve a new program during the term of an existing collective agreement, the College and the Faculty Association shall work together, utilizing the process outlined below, to define a workload for faculty in such a new program.
- (a) After a new program has been approved by the Board of Governors, the President of the College or Designee shall advise the President of the Faculty Association. The President of the College and the President of the Association shall each appoint two members to serve on an ad hoc New Programs Workload Committee. The Committee shall be co-chaired by one person from each subgroup.
 - (b) The purpose of the Committee is to review relevant factors, identified below, and propose a workload for instructors teaching in each new program. The Committee should complete its work within 20 working days of the Board decision.
 - (c) In determining instructor workload, the Committee shall consider factors such as, but not limited to, workload in similar programs at Keyano College; workload in the same program in other Alberta colleges and technical institutes; mix of lecture and lab/shop/studio/practicum, program development required; work experience; and mix of delivery strategies.
 - (d) The Committee shall make a workload recommendation, expressed as draft contract language, to the Board and the Association. If the Committee is not able to make a decision by

consensus, the Committee shall advise the two Presidents who shall appoint a mediator from within the College or within the community. This mediator shall work with the Committee, seek advice from appropriate experts if necessary, and bring forward a recommendation within 20 working days.

- (e) Once the workload agreement has been approved by the Board and the Association, it shall constitute a Letter of Understanding, signed by both parties, which shall be attached to the current collective agreement.

10.2 Trades Instructors & Trades Safety Training Instructors

Where the intake is longer than 8 weeks, the maximum workload shall be adjusted pro rata. Where the intake is shorter than 8 weeks, workload shall be averaged over two consecutive intakes and the maximum workload adjusted pro rata.
- (b) The instructional workload for each full-time instructor teaching Trades Safety Training Programs shall be up to 192 student contact periods per 8-week intake.
