## Letter of Authentication

From: SRF Limited, India

To: Whomsoever it may concern

We, SRF Limited, thank you for your purchase and trusting an SRF made product.

SRF Limited has been manufacturing refrigerant gases since the year 1989. Since then we have grown to become one of the global leaders in production of world- class refrigerants with very high quality and promised performance.

We have been cooperating with Hoang Dat Refrigeration Engineering JSC, based out of Hanoi, Vietnam with their OEM products brand TAISEI as registered in Vietnam market.

TAISEI refrigerant, which is manufactured by SRF, meets all quality requirements laid out by our factory and meets specifications mentioned in Certificate of Analysis.

SRF Limited has supplied TAISEI refrigerants to Hoang Dat Refrigeration Engineering JSC in their product range of TAISEI India 22, TAISEI India 134a, and TAISEI India 410A.

This letter of authentication is valid until Dec-2019.

We wish the very best for the progress of TAISEI in Vietnam market and sincerely look forward to continued cooperation with Hoang Dat Refrigeration Engineering JSC.

Authorized Signatory

For SRF Limited
