Re: November 2018 Building Permit Report

Central, LA - In the month of November 2018, there were 17 building permits issued within the city of Central. Nine new residential building permits were issued with an average valuation of \$234,364. There were five residential remodeling permits issued with an average valuation of \$165,632. There was one residential addition permit issued which was valued at \$125,082.

On the commercial side, there were two permits issued. One was issued at 11257 Lovett Rd for a 5922 sq. ft. daycare, and another was issued at 15110 Wax Rd for a 5149 sq. ft. office building.

Valuations are set for building permit and tax assessor's reasons and may not actually reflect the actual value of the structure after construction is complete.
