Re: December 2018 Building Permit Report

Central, LA - In the month of December 2018, there were 16 building permits issued within the city of Central. Four new residential building permits were issued with an average valuation of \$217,175. There were two residential remodeling permits issued with an average valuation of \$134,058. There was one residential addition permit issued which was valued at \$88,832. There were three residential detached building permits issued with an average valuation of \$14,533. One residential building relocation with a valuation of \$36,157 was issued. One demolition permit was issued, and four manufactured home permits were issued with an average valuation of \$136,448.

Valuations are set for building permit and tax assessor's reasons and may not actually reflect the actual value of the structure after construction is complete.
