

Hosted by:
Connecticut Association for the Gifted in partnership with
the Advanced Manufacturing Technology Center at Housatonic Community College

Based on the success of the Creativity Conferences in October 2014, 2016, 2017 and 2018, CAG is pleased to announce a fifth *CreativityCon™* to be held on October 18, 2019 at Housatonic Community College, Bridgeport, CT from 8 a.m. to 4:00 p.m., and you are invited to be a sponsor.

At *CAG CreativityCon™*, teachers, administrators, parents and community leaders enjoy a day dedicated to helping develop and nurture creativity in their students and children. We are pleased to announce that Duke Talent Identification Program's (TIP) Gifted Education Research Specialist **Richard D. Courtright, PhD, will be the keynote speaker**. In addition, a variety of Breakout Sessions will feature hands-on, engaging topics that will allow all participants to walk away with a fresh 'tool kit' of creative problem-solving skills and productive play practices for their professional and personal life.

There are several levels of participation, including Platinum Level: \$1000, Gold Level: \$600, Silver Level: \$350, Bronze Level: \$150, as well as opportunities for other levels of participation including supplying tote bags or lunch. All contributions are tax deductible.

I have attached a list that includes the details on all levels of participation. We hope you will decide to participate in the 2019 *CAG CreativityCon™*. We look forward to working with you at this event. Please return the attached Confirmation Form by **September 15** if you would like to be a sponsor of the *CAG CreativityCon™*.

Thank you!
