PROGRAM

HIGH ALTITUDE HIGH ADVENTURE

Located on the edge of the Sycamore Canyon Wilderness area, near Williams, Arizona, Camp Raymond is nestled in the cool ponderosa pines at 6,700 feet.

The camp is located within two hours of the Grand Canyon National Park, the San Francisco Peaks, and Meteor Crater.

Camp Raymond combines leadership and confidence-building teamwork with an array of adventurous programs.

HIGH ALTITUDE HIGH ADVENTURE

Camp Raymond is the hub for thrill-seeking scouts ready for a challenge. Scouts can select from two ultimate adventures:

Four Peaks and a Grand Experience

or

Sycamore High Adventure

Test your outdoor skills and knowledge tracing the footsteps of Native Americans, mountain men and pioneers while you explore the canyons, mountain peaks and other wonders of Northern Arizona.

Summer 2019

Four Peaks and a Grand Experience

Hike over 14,000 vertical feet in a single week. You'll blow the boundaries off your physical limits while bagging the highest peaks in Northern Arizona. Each mountain offers unique experiences.

We encourage Saturday arrival to acclimate to elevation. Program begins on Sunday.

- Sunday run the C.O.P.E. course as a warm up, make preparations for your incredible week, and hike to the top of Fortress mountain to see the four peaks you will conquer.
- Follow in the footsteps of Arizona pioneers as you climb 2,306 feet to the peak of Bill Williams Mountain. After enjoying the summit view of 9,299 feet, we'll visit Bearizona and learn about North American wildlife.
- Conquer 9,389' Sitgreaves Mountain with 1,949 vertical feet and NO TRAILS. Live Leave No Trace trekking on this pristine mountain with a visit to a nearby lava tube cave to complete the day.
- Bag 10,418' Kendrick Mountain with 2,478 vertical feet of steep wind blown trails. This is the only mountain in Arizona where the supplies to the Ranger stations are carried by horses. Say howdy to the Ranger!
- Ascend Arizona's highest mountain, 12,633' Humphreys Peak with 3,330 steep vertical feet, for amazing views and a chance to visit the remains of a crashed B-24 Liberator bomber.
- Friday will truly be a "grand" experience as your group descends 3,800 vertical feet into one of the world's Seven Natural Wonders. We'll finish the day with a visit to the National Park Visitor Center and historic South Rim villages.

Saturday return home with two special patches and incredible lifelong memories knowing you've achieved goals few other mortals will ever attempt.

Sycamore High Adventure

Choose Your Own Adventure

Sycamore High Adventure begins with a team building experience on our C.O.P.E. course to prepare participants for a fun and challenging week. Starting Tuesday, choose your own adventure by selecting four days of activities from these amazing choices:

◊ **ATV Riding.** (1 Day) Complete the ATV Riders Safety Course and embark on a epic ride through a labyrinth of rugged forest trails.

◊ **Caving**. (1 Day) Experience total darkness while exploring limestone and basalt lava river caves.

◊ **Climbing**. (1 Day) Feel the adrenaline as you rappel and climb the nationally ranked basalt cliffs of Paradise Forks.

◊ **Shooting**. (1 Day) This is not your typical merit badge program. Participants will use multiple types of firearms as they hone their skills and participate in a variety of games and challenges.

◊ **Mountain Biking**. (1 Day) Power your way up and over our network of trails to awesome vistas of Sycamore Canyon, Sedona Red Rocks and the Verde Valley.

◊ **Canyoneering.** (2 Days) One of the ultimate challenges! Descend and backpack overnight through 18 miles of deep canyon walls and flowing waters of the majestic West Fork Canyon as you make your way to the amazing red rocks of Sedona, Arizona.

◊ **Visit Local Hot Spots**. If your group wants to take a day off and explore the many opportunities of Northern Arizona, schedule a free day to visit Flagstaff Extreme completing the infamous Black high rope obstacle course with ziplining. Or Hike Sunset Crater and the Wupatki Ruins to learn what life was like 10,000 years ago. Maybe, play disc golf hiking on the highest course in the country, 10,000' at the Arizona Snowbowl. *(Additional fees for local hot spots.)*
