Club update

The club has had another good year under the stewardship of Pete Andrews. The numbers of junior players attending on a Saturday morning are at record levels and great credit is due to Pete and Jacky Parsons for this.

We continue to improve our facilities with a lot of redecoration carried out and new windows throughout the club.

Our two teams competed competitively in the midweek Lincs League and in the coming season and we also be entering a team in the Saturday Night Lincoln League.

Thanks again to all who put so much into the club - with special mentions to Pete for all his organisation of the many successful events that keep the club moving forward, and to John Payne for all his maintenance work behind the scenes.
