ORH RECOVERY HOUSING OUTCOMES SURVEY ACCESS INSTRUCTIONS

General Notes:
- The Outcomes Survey is an online tool that can be accessed on a desktop computer, laptop, tablet or mobile device.
- Multiple people can access the survey at one time.
- Information cannot be saved and revisited later; the survey should be completed in one sitting (about 15 minutes).
- Surveys should be completed 3 times by each resident: at move-in, 6 months into residence and at move-out.

1. Navigate to ohiocoveryhousing.org. The user will find the Outcomes Survey located under the “Associates Only” tab

2. After clicking the “Outcomes Survey” menu item, the user will be prompted for a password:

3. The site is protected by the password: recovery-ohio

4. Upon entering the password (same for all users), resident can then take the survey anonymously.

5. Detailed instructions can be found directly below this link, in the menu item “Outcomes Survey Directions”
