MobArt is proud to present “30+ Children”, a solo exhibition by Tim Cheng. Tim’s paintings project a world from the children’s perspective.

When we were young, all of us wanted a taste of adulthood – be it trying on mommy’s lipsticks, daddy’s oversize work shoes or holding onto a briefcase that’s almost bigger than us, we have all done it once, twice, or even multiple times. We love those moments, how we couldn’t wait to grow up and be like our parents.

When we grew up, we look back. Reminiscing the golden days of our childhood years, how carefree and happy we were.

Through Tim’s paintings, he hopes to bring back those good memories of us longing to become adults and remind us all that what we have longed for has come true and so we should treasure and enjoy every moment of it.

About Pop Bites

Pop Bites, a gourmet boutique and leisure casual dining concept with a dessert series “pb pâtisserie” that serves 6 different daily desserts to match the exquisite range of dessert wine as well as customize wedding & birthday cake. The restaurateur and designer Calvin Yeung, describes the concept as “Gourmet Lifestyle that offers perfect harmony between comfort food, great music, love and laughter, all in a one-stop-shop. This is a place where people can get a quick recharge.”

All of this takes place with a cool backdrop where we have DJ spinning on Friday & Saturday night and a CD station where guests can purchase any CD all year round.

About MobArt Gallery

MobArt is an art gallery with a twist. Unlike the traditional art galleries, we don’t have a physical space, we are *mobile*. We “pop up” everywhere in the city and may one day appear just round the corner of where you live or work.

Our *Concept* is simple – we utilise alternative urban spaces like restaurants, coffee shops, lounges etc. to curate Art shows.

Our *Goal* is clear – to make Hong Kong a better place for Art. Elevating people’s interest and appreciation for Art by making Art an integral part of our everyday life would in turn foster an environment that supports and nurtures young, talented artists.

Join us and become part of the MobArt movement!
