Put everyone's names into a hat. Then, each person must draw a name from the hat to find out for whom they need to buy a gift but they must keep it a secret until the day the gifts are exchanged.

Sometimes it helps for a third party person to keep track of who is buying for whom, or they may need to draw the names themselves if some of the group are unavailable to do it.

That's where this Secret Santa Tracker can come in handy. Fill in the names of the people in the group, the names of the people for whom they must buy a gift and their contact details. Finally, tick the box when they've been notified.
