

# DECLUTTERING FREEDOM

LETTING GO IN COMPASSION,  
EMBRACING THE NOW IN WHOLENESS

NOVEMBER 3, 2018

Tackling our clutter can cause dread and fright. Cynthia will provide safe accompaniment as we peer into the deeper motivations, emotionally and spiritually, that prevent letting go of what no longer serves and fully step into the beautiful Now. This workshop, days before the New Moon in Scorpio, will support a seminal Death/Rebirth moment of the year.

Cynthia Gonzalez has led psycho-spiritual workshops internationally for 30+ years.
