**Re: NCCP Learning Facilitator Recruitment – 2019**

---

The Northern Ontario Hockey Association (NOHA) is seeking applications for the position of National Coach Certification Program (NCCP) Learning Facilitator for the 2019/2020 season and beyond. Enclosed in this letter are documents outlining the expectations of an NCCP Learning Facilitator, a background of all NOHA NCCP Clinics, and the application form.

In order to identify the most qualified individuals, the NOHA has put in place an application process. To apply, please fill out the enclosed Application Form. Keep in mind that by filling out this Application Form, you are not automatically an NCCP Learning Facilitator but rather have agreed that you are nominating yourself to become one.

Please submit, with your application:

- A detailed resumé, including any coaching experience, references, professional development (seminars/courses), or other instructing experience that could be relevant to this position.

The deadline to submit your application as to the NOHA Office is **March 1, 2019**.

The NOHA will follow up with each person that applies for the positions. If you are deemed a successful candidate to become a NCCP Learning Facilitator, the NOHA will provide you with more information on the Programs that the NOHA offers and the steps you will need to follow to become a “Certified” Learning Facilitator. One of the steps will be to attend an NCCP Learning Facilitator Training Seminar at a to be determined date in Spring 2019.

If you have any questions please do not hesitate to contact myself at (705) 474-8851 or at [acorradini@noha.on.ca](mailto:acorradini@noha.on.ca).

Yours truly,

Andrew Corradini  
NOHA Technical Director
