NOTE: There are a limited number of scholarships available. Please use discretion when applying. Out of consideration for others in our community, we ask that you apply for a scholarship **only if** paying Ashlar's full tuition rate would result in financial hardship for your family.

When planning financially for the school year ahead, it may be wise to keep in mind that Ashlar's tuition is all-inclusive. The rates listed on our website are the fully disclosed rates for the entire year. You do not need to allow room in your budget for unexpected fees and expenses billed to you by Ashlar, because we do not have any.

The following scholarships are available. Please indicate which scholarship you would like to apply for by answering the question in the adjoined box. Use reverse if needed.

The Recent Life-Changing Event Scholarship

This scholarship will be awarded to a family who has had a significant life-changing event within 12 months prior to September 1, 2019, or who anticipates such an event will occur during the 2019/2020 school year, which has caused or will cause financial strain that would make paying full tuition at Ashlar a financial hardship for the family. This life-changing event may include: having a new baby, adopting an infant or child, moving, buying a new house, taking on the responsibility of an additional dependant, an accident/injury/illness within the family, partial loss of income, or other scenarios.
