**INTENT**

Yuba County Community Services Commission, hereinafter referred to as “YCCSC”, is soliciting proposals from qualified 501(c)3 organizations and public agencies, hereinafter referred to as “CONTRACTOR”, to administer and/or operate community based programs designed to reduce poverty, revitalize low-income communities, and empower low-income families and individuals within Yuba County to achieve self-sufficiency.

This solicitation is not intended to create an exclusive service AGREEMENT and multiple agreement awards may be made depending on funds available. YCCSC retains the ability, at its sole discretion, to add qualified CONTRACTORS at any time.

**BACKGROUND AND SCOPE OF SERVICES**

YCCSC oversees an anti-poverty program that allocates funding to nonprofit and public agencies that provide services to support, assist, and empower low-income people and improve their quality of life. YCCSC serves as Yuba County’s Community Action Board, advising and counseling the Yuba County Board of Supervisors. The Commission exists of volunteers representing the private, public and low-income sectors of the local community.

YCCSC receives funding from the Community Services Block Grant through the State Department of Community Services and Development. YCCSC strives to leverage funding from other resources to expand existing programs and to develop new services to meet identified needs in the community.

Every two years, YCCSC conducts a community needs assessment and public hearing. Comments and public needs are gathered and incorporated into a two-year plan called the Community Action Plan. The top five community priorities gathered from this process drive the types of services that will be considered for funding through a sub-grantee process.

## **SCOPE OF WORK**

The SCOPE OF WORK includes but is not limited to the following:

The specifications of this RFP are based on the 2018–2019 Community Action Plan.

Services must specifically relate to one or more of the identified top five countywide service priorities and proposals must include a Statement of Work that describes how contracting services match one or more of these priorities of the 2018–2019 Community Action Plan. If the agency plans to use this funding for administrative costs that will leverage other agency funds used for direct service, the agency must specify the funding amounts, funding sources, direct services and programs that will be provided to the community and how it relates to one or more of the top five countywide service priorities.

The services and needs identified as the top five countywide service priorities in the 2018-2019 Community Action Plan are:

- **Shelters/Affordable Housing**
- **Employment Skills/Higher Paying Jobs**
- **Substance Abuse Programs**
- **Behavioral Health Services**
- **Creation of Coordinated Entry System**

YCCSC is particularly interested in receiving proposals that will provide services in these priority areas that foster interagency coordination of activities and that eliminate duplication of services. More than one proposal may be submitted, but the proposal must be for different programs and different priority areas of service.

YCCSC has outlined the following criteria for allocating funds:

- Funding will be allocated based on the priority level of the service in the Community Action Plan and the CONTRACTOR'S projected service capacity to Yuba County residents living in poverty.
- YCCSC will execute individual contracts with each service agency. It is possible for more than one agency to provide services for the same service priority. It is also possible for one agency to provide services matching multiple service priorities; however regional service capacity will determine funding amounts.

### **Funding Allocation**

Estimated total funds available for this RFP are \$267,000. The percentage of funds allocated to each agency is based on the numerical ranking of the service priority being served, how many service priorities are being served and the agency capacity. Poverty is defined as individuals living in families (including single persons) with income below the federal poverty level. See Attachment B – Federal Poverty Guidelines.

Funding increases or decreases within awarded contract agreements will be made on a case-by-case basis with regard to emergent needs within the county, the service priorities identified in the 2018-2019 Community Action Plan, and input from YCCSC.

### **Program Outcomes**

- Outcome measurements for individual agencies contracted will be based on the proposed service counts submitted on the 641 Annual Report form. Goals for each outcome will be specified in the contract between YCCSC and individual agencies at the time of contract negotiation with individual agencies, and will correspond to the goals outlined in the Community Action Plan.

CONTRACTORS will maintain records of services provided and report data annually using the CSBG 641 Annual Report Summary Form and Modules 2-4. (forms will be viewable at [www.yubacares.org](http://www.yubacares.org))

- Agencies will be required to participate in an annual site visit conducted by YCCSC staff and/or board members. Agencies may also be asked to participate in a site visit conducted by the State Department of Community Services and Development (CSD) as mandated by the current CSBG contract between YCCSC and CSD. Site visits will focus on the agency's fiscal integrity, customer service, business management, and service delivery projections.
- In order to ensure quality customer service, agencies must utilize a customer satisfaction survey tool. The summation of the survey results will need to be submitted near the end of the contract term to YCCSC.

**PROPOSAL PACKAGE REQUIREMENTS -CONTENT AND LAYOUT**
