**We can help you!**

Get a grant

Our inclusion grant can help you pay for things you might need to do an activity such as clothing or equipment, travel, or costs to join any club, activity, event or service.

Who can apply?

- Anyone aged 8–18 can apply.
- If you're under 14, your parent/carer must apply on your behalf.
- If you're 14 years and over you can apply but your parent/carer will need to support your application.

What happens next?

- We'll let you know when we receive your application form.
- We'll then look at your application and let you know if you'll receive the funding.
- If you've been successful we'll tell you how you'll get the money.
