DEAR PARENTS,

Thank you for sharing your amazing children with myself and Miss Alejandra. We cherish every single one of them. Each is special and unique and their presence has enriched our lives as well as the lives of their fellow students.

I appreciate your understanding and patience with me. I had a few glitches in learning the accounting this year. I am still learning many features of ProCare. Thank you all so much!

I learned a lot this year about what types of activities all the different age groups liked and will incorporate those likes into next year's activities.

I am so happy and excited to announce that Miss Alejandra will be offering Spanish Club during Extension next year. Look for a newsletter closer to school that will outline the times, days of the week and cost.

Miss Alejandra will still be giving "mini" lessons every day in both morning and afternoon Extension. Take a look back at some of our newsletters where I have posted videos of the students speaking in Spanish. It has been a beautiful sight to see even the most shy

students speak in Spanish when asked. We are going to continue using Spanish for requests like " Can I go into the other room?"next year. Miss Alejandra is passionate about teaching your children Spanish and you can clearly see that in their enthusiasm and participation.

Thank you all for your support!
We are excited for next year!
With gratitude,
Miss Terese
