

SHILTON PARISH COUNCIL

CHAIRMAN'S REPORT 19 MARCH 2015

The planning committee at WODC has refused the recent planning application, for the development of a solar farm at Shilton Downs Farm.

I would suggest that there could be an appeal against this decision.

Our notices for the Councilor vacancy will be advertised this week. If you have a desire to make a difference in our Parish we would be delighted to hear from you. Please contact our Parish Clerk, Ann Tyldsley.

A recent visit to Blue Cross to look at the proposed building alterations was most informative and we are advised that work could commence in October 2015.

The second phase of our flood defence plan is now with WODC who are creating a working drawing so that we can obtain estimates and communicate our proposals.

Independent solicitors have checked the lease, for the proposed Parish office in Bradwell and we should be in a position to agree the date of occupation soon.

We are delighted to have received such encouraging comments regarding the Parish web site and with time we hope that more and more people will refer to it.

Regulations state that I have to stand down as Chairman at our last meeting of the year.

I have really enjoyed the challenge and hopefully we have made a positive difference to various aspects of our Parish life.

Thank you.

Malcolm Linney
