

Integrated AlumNI was founded in 2013 and is a network for past pupils of integrated schools and supporters of integrated education.

We actively support schools by attending open days and award nights, sitting on the Board of Governors and arranging mentoring and workshops with current pupils.

Plans are well underway for the fourth annual **Back to School Roadshow**, where members of Integrated AlumNI run interactive workshops and activities with current pupils focused on inspiring confidence, raising self-esteem and career mentoring. The Back to School Roadshow which takes place during **Integrated Education Month** aims to support current students as they prepare to leave school and take the next step - whether that be in further or higher education, employment and/or leaving home.

If you are interested in taking part in the 2019 Back to School Roadshow or would like to discuss how Integrated AlumNI can better support your school, please contact us.
