

Report for Occupancy By-Law: Bedrooms Vs. Dens

Response Counts

Completion Rate:	100%		
	Complete		82
			Totals: 82

1. OWNER FEEDBACK:(please note that this survey is limited to Owners only. Any non-owner responses will be disqualified.) After reading the above explanations and reasoning as to why dens cannot qualify as a sleeping area according to the OBC, OFC, and Building Design (and costs), do you agree or disagree with the Board's decision that dens should not be designated for sleeping?

Value	Percent	Responses
Agree	90.2%	74
Neutral	2.4%	2
Disagree	7.3%	6
