

# Continuing a Legacy of Service and Community Giving

Ten years ago, the Lights & Sirens Invitational was created when Harvey L. Hall identified the need that burn survivors and their families required a commitment of long term care and special assistance while on the road to recovery.

Since then, more than \$500,000 has been raised through the generous support of our local public safety, EMS, and business community partners.

The Hall Family would like to carry on Mayor Hall's legacy of service and community giving, renaming the tournament the Harvey L. Hall Lights & Sirens Memorial Invitational.

Join us in carrying this tradition forward on the 10<sup>th</sup> Anniversary of the tournament.

Proceeds from this year's tournament goes to assist our local burn survivors and will be allocated through the Bakersfield Firefighters Burn Foundation and the Kern County Firefighters Burn Survivor Trust.

Each of these non-profit service organizations are dedicated to assisting Kern County burn survivors and their families, and providing community burn prevention education.
