

# AIRPORT DISTRICTS

## Districts link our communities

California Airport Districts provide air transportation services for **millions of Californians**

There are **10 Airport Districts** serving several rural and urban communities throughout the state

Many Airport Districts serve their communities **24 hours a day**

Some Airport Districts also offer services such as **sightseeing flights and educational opportunities**

At some Airport Districts, residents and visitors have the choice of several **major commercial airlines**

Airport Districts **fuel tourism, provide jobs, and enhance the value** of their communities

Flight and **safety education** is offered at many Airport Districts
