

# CEMETERY DISTRICTS

## Districts preserve our history

There are **248 Cemetery Districts** throughout the state

For over 150 years, Cemetery Districts have provided **millions of Californians** with cost-effective burial services and historical ties to their communities

Many Cemetery District grounds are **designated historic sites**

Cemetery Districts serve as the final resting place for **thousands of war veterans** and their families

Each are focused on **celebrating the memory** of people dear to those who still reside in the communities

Cemetery Districts provide visitors with **historical information** about their individual communities and the early development of California
