

Season Opening Event

Saturday, September 29, 2018, 10:00 a.m. – 4:00 p.m.

The Roundhouse Farm, 1506 Burnside Rd. W

Our second annual opening event presents a unique opportunity for our diverse membership and for all friends sharing a common interest in Jungian Psychology. Join us as we gather together as a community for a time of learning, experiencing, sharing and conversation.

We are delighted to introduce this year's guest speaker, Jungian analyst Laura Lewis Thayer from Port Townsend. In a combined lecture and workshop Laura will lead us on a journey exploring the archetype of number, revealing its spiritual and practical significance for life:

*Journeying Through the Archetype of Number: From Eternal to Temporal - The Patterns One through Four**

"Number is the most profound archetype accessible to consciousness ... These primordial patterns address personal issues and worldly affairs alike, holding together physical, mental, emotional and spiritual aspects as one complex system not to be divided. Number reveals how life works!" – Laura Lewis Thayer
