

Recipe: Chicken Fajitas

Description: Authentic Mexican food critics bear with me, this probably isn't the most accurate version of fajita really, but that's what we call it.

Serve with: 2

Servings: Salad, chips + salsa

Ingredients:

- 4 - 8 inch tortilla shells
- 2 Chicken Breast - sliced
- 1 each Red+Green Pepper -sliced
- ½ Onion - sliced
- 1 cup. Rice
- Chopped Romaine
- Shredded cheese
- Avocado (optional)
- Sour cream (topping)
- Salsa (topping)
- Taco seasoning packet (or make your own combo like we do.)

Directions:

1. Cook sliced chicken with seasoning in a frying pan to temp. Add veggies, cook until softened.
(you can also mix raw sliced chicken with seasoning and lay out chicken with veggies on a baking sheet and bake at 350 degrees until fully cooked.)
2. While the chicken and veggies are cooking, cook rice and prepare toppings.
3. Put it all together in a tortilla and Enjoy.
