

CHURCH ON THE ROCK ASSEMBLY ~ AFRICA 2017 CENSUS

Church on the Rock Assembly is a vast and vibrant LORD's ministry which is focused upon the Work of God in countries throughout Africa. Our mission is to preach the Gospel, disciple the saints, and edify the church in love.

We have been active in Africa since December 2014 when the LORD opened up Africa unto us in order to begin to minister the Truth of the immutable and unadulterated Word of God as written and as outlined in our church Doctrinal Statement by which we preach and teach the Gospel of God. As God has revealed Himself to His elect saints, we teach much more deeply the Scriptures, as translated from Hebrew and Greek, which we read in the English King James Bible. We are dedicated to edifying pastors and congregations, as well as those who are disconnected from the grace of God, in order to cultivate a thorough understanding of the all Scriptures.

From the first pastor to join with us in DR Congo, we are grateful to the LORD that many thousands have been able to hear the Gospel, through this LORD's ministry, in 10 countries in Africa. We give thanks for the joy of seeing the LORD's revelation of His TRUTH in the lives of so many pastors and so many congregants as this ministry has blossomed. The LORD has added many pastors and their congregations, who have joined with us in different countries across Africa, even as many have grown up ministers from among Church on the Rock Assembly who are filling positions within current and prospective local churches.

We do set-up branches of Church on the Rock Assembly, but in many cases pastors ask to join with us when they recognize their error and are compelled, by God, to convert from following false doctrine of man and then insist upon joining with us with gratitude and joy in their hearts in order to learn and teach more perfectly the doctrine of God. Whether we establish new local branches or include pastors and/or congregants of existing local churches throughout Africa, only those, who are likeminded and desiring to join with us, may become members of the Church on the Rock Assembly. Certainly, only those who have received the Revelation from God and agree completely with our Doctrinal Statement are invited to join with us. Of course, we would never prevent the Doctrinal Statement from being adopted by others who desire to remain autonomous and independent. However, thus far, we have only seen those, who have received our Doctrinal Statement, humbly desire to join with us. Still, we encourage all, to whom the LORD reveals TRUTH, to receive and adopt the Gospel as outlined in our Doctrinal Statement. Gratefully, much to my amazement, all those who have happily received the Doctrinal Statement, thus far, have, with joy, actually insisted that they are CHURCH ON THE ROCK ASSEMBLY and we agree that we all have the Mind of Christ.

CHURCH ON THE ROCK ASSEMBLY ~ AFRICA 2017 CENSUS

In just 3 years, we have seen the LORD draw many pastors as well as pastors of pastors, and so many congregants unto this LORD's ministry. Among all the members of CHURCH ON THE ROCK ASSEMBLY, we have the MIND OF CHRIST and are devoted to being LIKEMINDED and edifying the church in the LOVE OF GOD. Thus, we have implemented and encouraged more communication and interaction and cooperation among all the pastors and even the congregations. For, we are all one body of believers who desire to maintain the unity of the Spirit of God in LOVE. Truly, this has been a labor of LOVE.

The Word of God has been blazing across 10 countries in Africa. As a flash of fire in the hearts of many, the LORD has ignited the hearts and enlightened the eyes of so many who would finally be given, graciously, LIGHT of the glorious TRUTH. What has been camouflaged by superstitions and traditions of men was suddenly and miraculously clear and made apparent through the simplicity of the GOSPEL we teach through the use of our Doctrinal Statement. Now, for so very many, the clear TRUTH of God is absolutely apparent!

The LORD motivated me to better define our complex doctrinal statement in a Bible study in 2008. In 6 months, what evolved during our Bible study was a Doctrinal Statement that brought clarification and simplification of the Gospel message, as it is intended to be presented. While showing the fundamental foundations of our faith through an outline, filled with the Scriptures, this document has now inspired many by the grace of God. What a blessing to prepare our Doctrinal Statement, which the LORD has used to touch the hearts and save the souls of thousands who now know and share the absolute TRUTH of God.

Our pastors are faithful followers of the ONLY ONE LORD JEHOVAH and our congregations are growing daily in the love of God who indwells them perpetually and sustains them in the knowledge of God and the understanding of God to act with the wisdom of God. I am so very blessed to know all these, our brothers and sisters in CHRIST, whom I love. I know their hearts having seen their love for one another and their love of the LORD, desiring, as we all are, to see all the LORD's elect receive the TRUTH of the Gospel as it was once delivered unto the all the saints.

We all know the fields are white already to harvest. As the end approaches, urgently now, all the LORD's Church on the Rock Assembly know that we are created by God to fulfill the Word of God and to fulfill the ministry of our LORD which is our JOY.

This census reveals the wonderful LORD's Works throughout Africa which we all have enjoyed in this amazing ministry. From the actual reports turned in from our pastors across 10 countries in Africa, I have provided a chart, at the end of this document, which shows the aggregate totals of our churches, members, and pastors through the end of 2017 as compared to last year's census 2016. These numbers, even as I write this

CHURCH ON THE ROCK ASSEMBLY ~ AFRICA 2017 CENSUS

report, are already rising rapidly. It is my desire that this snapshot of what the LORD has done in Africa, in just 3 years, will stir the minds and hearts of all who review this 2017 census of Church on the Rock Assembly. This is a very large ministry that is growing at an increasing rate. While we understand that this is a wonderful blessing, we also see the increasing need for initial supplemental income for needy pastors and their families, food for poor who are desperate, and the need for Bibles for each person who may not ask but needs assistance to obtain a copy. Even now, I am insistent that we teach and preach, but as much as I want to supply them food for their physical needs, I also want to supply them Bibles to know they should continue to be nourished by the spiritual fodder of God's WORD.

Many thanks to you all who continue to pray and to give faithfully to this true LORD's ministry. If you are not contributing to this worthy ministry and would like to help us, we would, of course, appreciate your prayers for us all and your prayerful consideration to provide financial support, as you peruse this 2017 census report. All of your contributions go to supplement pastors' needs, travel costs, Bibles (KJV), Bible study material copies, state registration fees, and even supplemental support for the building of very humble places for worship. None of what we do costs a lot, but all the costs of this large ministry are, none the less, significant for us to bear alone. Thus, through the publishing of this report, we pray the LORD provide for the assistance from those who are willing and able to help us help our brothers and sisters in Africa. This effort does require continued current and future supporters who see how much God is doing through this LORD's ministry in Africa and who know the joy of giving to this ministry that prospers exceedingly abundantly above anything we ask or think. Amen.

Special note: I receive many encouraging words, many not unlike those expressed in this note from our Sr Pastor Bandawe in South Africa [*in his words*]:

"That is the 2017 final report for us and what God is doing for us. We give all the glory to our Only One LORD JEHOVAH. Please pass also our greetings from South Africa to USA Pastor Dr S. McCutcheon. Ask also for us we need to be having annual general meeting in Africa and the entire world so that different Pastors from all country can come together discussing things to the glory of God."

Pastor Bandawe's vision from God is shared by all of us and I hope, also, you will agree with us.

God bless you all

Dr Stuart McCutcheon, Sr Pastor
