

Closet Cleanout

CLOTHING RECYCLING FUNDRAISER

Help people in need, save the planet and support Red Nose to continue saving little lives.

Closet Cleanout is partnered with Red Nose. By signing up you will be raising funds for your school or group, whilst supplying affordable clothing to those in need. You will also help support Red Nose to provide safe sleeping education and continue to fund vital research.

Closet Cleanout can be run as a sustainability or social studies exercise rather than a fundraiser - you can donate the funds back to Red Nose, or a charity of your choice.

Currently available in Melbourne and surrounds (coming to other cities soon)

Frequently Asked Questions

WHAT KIND OF ITEMS CAN BE COLLECTED?

Any clean, wearable adult and children's clothing, paired shoes, hats, handbags, belts, towels, sheets, pillowcases, fabric and soft toys. Let your families know that once they fill their collection bag that they can use garbage bags - there is no limit to how many bags we collect!

WHAT CAN'T BE COLLECTED?

Wet, torn or stained items, doonas, pillows, household items, furniture, books, hard toys, games, boxes.

WHAT HAPPENS TO THE ITEMS?

Your donation will help provide low cost clothing to families in need. It will also help Red Nose to fund vital research and deliver safe sleeping education.

WHEN WILL THE ITEMS BE COLLECTED?

When you book your drive we will provide weekday collection date options. Collections will be during your opening hours.

HOW DO WE MAKE MONEY?

Closet Cleanout will pay you 20c for each kilo of items returned, or 25c if you booked 2 drives. The goods will be weighed and you will be notified of your total weight within 1 week. Payment will be made into your nominated bank account within 1 month.

WHEN SHOULD WE RUN OUR DRIVE?

We recommend you schedule 2 drives in the year so you get the higher payment rate. Include it on your school calendar so everyone knows when to start their cleanout. If your school fete has a used clothing or toy stand, Closet Cleanout can be a great way to get rid of leftover items.
