**TO: All Nadel Employees**  
**FROM: The Board of Directors**  
**RE: Nadel 401(k) Plan**

---

The Board of Directors recently approved to increase the employer match for the 401(k) Plan from 10% of the employee contribution to 13% effective January 2017.

With this move, we would like to encourage employees to contribute more to their retirement account.

Any changes to your current contribution can be made directly on the website [www.benefits.ml.com](http://www.benefits.ml.com). Once changes have been completed, please print or email a copy to Cheryl Sullivan ([csullivan@nadelarc.com](mailto:csullivan@nadelarc.com)).

If you have any questions, please email Cheryl or call her at ext. 321.

Wishing everyone a peaceful and successful 2017!
