### PRODUCT DESCRIPTION:

Kids grow fast, and this car seat is an all-in-one number that will grow along with them. Little ones can ride in custom comfort thanks to a reclining seat and Quickfit™ harness that can be operated in the front to adjust the height. The plush seat offers ultimate side impact protection, while pivoting armrests and a removable cup holder provide a touch of convenience. When little ones have graduated from their car seats but aren't quite big enough for wearing a seat belt alone, this number will help fill that gap because it easily converts to a booster seat.

- Rear-facing weight capacity: 5 to 35 lbs.
- Forward-facing weight capacity: 22 to 50 lbs.
- Belt-positioning booster weight capacity: 40 to 100 lbs.
- Rear-facing height capacity: 19" to 40" tall
- Forward-facing height capacity: 34" to 52" tall
