# Due Time

MATCHING JOB SEEKERS WITH RECRUITERS

# Problem

**Time to Fill**

- 26 Days avg. from start to hire

**Cost of Hire**

- Reviewing Applicants: 23.5 hours avg. of $587.50
- Prescreening: Up to 4 hours, and over $100
- Wrapping up/Hiring:  7.5 hours with cost $187.50

# DEMO

- Simply providing the candidate with a form to select their available time and a “Make a Match” button.
- Taking the individual to google calendar. Once there, candidate can review instructions, view available interview times and instantly schedule the interview, all without having to pick up the phone, unnecessary back and forth emails.

# Due Time benefits

- Time saver
- Reduce time zone confusion/ inaccurate candidate info
- Save money
- Meet talent faster
- Bulk scheduling no problem
- Greater flexibility

# Future Integration

Twilio - to send text message reminders and automate phone calls

Heroku - PaaS (Platform as a service) to run application entirely from the cloud

ADP- import worker profiles into ADP system further streamlining onboarding process

# Features

- Expand into different areas of expertise
- More specifications to filter matches by (location, company size, etc)
- Paid Tier: Access to user profiles (resumes, reviews, etc)
- Reminders to follow up with your match after your meeting
- Suggestions for where to meet up
- Hosting online meetings via Skype or Hangouts or w/e
