This Week's Program

A Club visit to TANTUR

The Rector, R/ Russell K. McDougall

Tantur Ecumenical Institute in Jerusalem

tantur@tantur.org

"After Tantur, the daily readings

from both the Old and the New

Testament, set in the culture,

history and geography of the 'Holy

Land', have taken on a new life.

Places, events, feasts, names are no

longer just strange words or things I read about in a book – they now

connect to experiences I had in Tantur, and so have become more alive!"

Donald O'Keefe, 2016 Tantur CEP participant.

In the 1960s, Pope Paul VI along with Protestant

and Orthodox scholars envisioned an institute

that would be designed for scholars to live in

residence and to pursue their individual

research in a community setting. The program is

not a set of academic courses. However from

time to time scholars meet in colloquia to discuss each other's work.

Since then Tantur has developed several

different Programs and Special Courses to

serve those seeking to deepen their

understanding of this land, its history, its

culture, its people and their own faith.

The Continuing Education Programs are designed for those who are mem-

bers of a Christian community, whether as priests, pastors, educators or

lay people. These programs range in length from three weeks (the Easter

Encounter) to three months. The average program size is between 15 to

20 participants.

Our list of open enrollment course offerings for 2018 and 2019 can be seen

The International Toast

RC Selma, Alabama, District 6880

<http://www.selmarotaryclub.org/>

On March 21 1965 Dr. Martin Luther King, Jr. leads 3,200 people on the start of the third and finally successful civil rights march from Selma to Montgomery, Alabama.

On this date today we will therefore toast the Rotary Club of Selma Alabama.

The club was chartered in 1916, and belongs to District 6880, registered as club no. 4097.

This club meets every Monday at noon in the Kathryn Tucker Windham Fellowship Hall 901 Alabama Avenue – Selma Alabama – 36701.

The president is David McCormack, the Treasurer is Manera Saloom Searcy, Secretary is Nancy Travis.

THE Selma Times-Journal

Rotary Club has made a real difference in Selma

Published Saturday, January 30, 2016

Last year saw anniversaries of the most important events in the history of Selma. It was quite remarkable that the Selma to Montgomery marches, the opening of the Edmund Pettus Bridge and the Battle of Selma all celebrated milestone anniversaries in a span of just three months. In 2016, another Selma institution will mark an important date. The Selma Rotary Club has been in the Queen City for a century of service.

That's quite remarkable considering Rotary itself it just 111 years old. Indeed, the Selma club is one of the oldest in the Southeast.

Selma historian Alston Fitts and other club members are working on an "abridged" club history that will publish later this month, but it suffices to say it's impossible to write about everything the club has contributed to Selma over the past 100 years.

The club goes about fulfilling its motto of "Service Above Self" through so many ways. Rotary Club members volunteer at countless community events and raise money to support many local causes.

We congratulate the club on its 100th anniversary and hope the community will come out to celebrate this moment with them.

They will have a black-tie optional celebration Feb. 25 at the George Evans Reception hall. Tickets are \$40 and available from any club member and at Butler-Truax Jewelers, First Cahawba Bank on Citizens Parkway, the Selma and Dallas County Chamber of Commerce and Trustmark Bank.

RI CONVENTION TORONTO 2018

Toronto, Canada 23-27 June 2018

The Rotary International Convention will this year travel to Toronto, Ontario, Canada, where there's Inspiration Around Every Corner. Toronto is a diverse city with lots to offer, including vibrant cultural, art, entertainment, and culinary scenes. You'll learn about new ideas, hear different perspectives, and gain new skills through engaging speakers, breakout sessions, and exhibits in the House of Friendship.

Rotary is an international organization with a global reach, a network of 33,000 clubs, countless interpersonal connections and fascinating multi-cultural encounters. All these can be experienced only at an international conference attended by some 20,000 Rotarians from 200 countries. Anyone who has not attended a Rotary World Conference has not seen Rotary at its best and greatest.

From our District an impressive delegation will attend. To date, 25 Rotary members from our region have registered.

Now is the time to decide that this time you will not miss the opportunity to be there where it happens, and also to take a nice trip in the area.

You can register online at www.riconvention.org/en/toronto

Online registration is now available online at a discount

Early registration at the discount ends on 31 March 2018, \$ 410 instead of \$ 495 for a Rotarian and a spouse . Starting from April 1 the listing will be at the full price of \$ 495.

After registration, please inform the District Secretary Yona Mazor about this.
