

MELINA

EXT. RUINS OF SWIFT MANSION -- NIGHT

Darren finishes telling a scary story to Melina, Lizzy, and Josh.

DARREN

So now every year around Halloween,  
the ghosts of the murdered children  
rise up to protect the land the  
Orphanage once stood on, vowing  
revenge to any and all trespassers!

MELINA

(cough) Bullshit!

She laughs at Darren. Lizzy joins in laughter.

MELINA (CONT'D)

Did you really just drive us all  
the way out here for that?

LIZZY

Yeah Darren. That was...a little  
corny.

MELINA

That was so lame ass  
creepy...and not like scary lame  
ass creepy, but like, weird lame  
ass creepy.
